**§ 667.150 What reallocation procedures does the Secretary use?**

(a) The first reallocation of funds among States will occur during PY 2001 based on obligations in PY 2000.

(b) The Secretary determines, during the first quarter of the program year, whether a State has obligated its required level of at least 80 percent of the funds allotted under WIA sections 127 and 132 for programs serving youth, adults, and dislocated workers for the prior year, as separately determined for each of the three funding streams. Unobligated balances are determined based on allotments adjusted for any allowable transfer between the adult and dislocated worker funding streams. The amount to be recaptured from each State for reallocation, if any, is based on State obligations of the funds allotted to each State under WIA sections 127 and 132 for programs serving youth, adults, or dislocated workers, less any amount reserved (up to 5 percent at the State level and up to 10 percent at the local level) for the costs of administration. This amount, if any, is separately determined for each funding stream.

(c) The Secretary reallocates youth, adult and dislocated worker funds among eligible States in accordance with the provisions of WIA sections 127(c) and 132(c), respectively. To be eligible to receive a reallocation of youth, adult, or dislocated worker funds under the reallocation procedures, a State must have obligated at least 80 percent of the prior program year's allotment, less any amount reserved for the costs of administration of youth, adult, or dislocated worker funds. A State's eligibility to receive a reallocation is separately determined for each funding stream.

(d) The term "obligation" is defined at 20 CFR 660.300. For purposes of this section, the Secretary will also treat as State obligations:

(1) Amounts allocated by the State, under WIA sections 128(b) and 133(b), to

the single State local area if the State has been designated as a single local area under WIA section 116(b) or to a balance of State local area administered by a unit of the State government, and

(2) Inter-agency transfers and other actions treated by the State as encumbrances against amounts reserved by the State under WIA sections 128(a) and 133(a) for Statewide workforce investment activities.

**§ 667.160 What reallocation procedures must the Governors use?**

(a) The Governor may reallocate youth, adult, and dislocated worker funds among local areas within the State in accordance with the provisions of sections 128(c) and 133(c) of the Act. If the Governor chooses to reallocate funds, the provisions in paragraphs (b) and (c) of this section apply.

(b) For the youth, adult and dislocated worker programs, the amount to be recaptured from each local area for purposes of reallocation, if any, must be based on the amount by which the prior year's unobligated balance of allocated funds exceeds 20 percent of that year's allocation for the program, less any amount reserved (up to 10 percent) for the costs of administration. Unobligated balances must be determined based on allocations adjusted for any allowable transfer between funding streams. This amount, if any, must be separately determined for each funding stream.

(c) To be eligible to receive youth, adult or dislocated worker funds under the reallocation procedures, a local area must have obligated at least 80 percent of the prior program year's allocation, less any amount reserved (up to 10 percent) for the costs of administration, for youth, adult, or dislocated worker activities, as separately determined. A local area's eligibility to receive a reallocation must be separately determined for each funding stream.
